

**Supplement 1:** cohorts used for each outcome phenotype for the COVID-19 Host Genetics Initiative.

Each table is adapted from the COVID-19 Host Genetics Initiative website (Freeze 4: October 20, 2020). Available at: <https://www.covid19hg.org/>

Each cohort's names are abbreviated in Tables 1.1-1.3. Full names are provided in Table 1.4 at the end of this supplement.
