

B Appendix: Additional information on AAP recordings

B.1: Target LU and measured LU of the AAP₂₄

Device ID	Target LU	Target LU (Code)	Measured LU	Measured LU (Code)	Distance to target LU in meter
1	Residential areas, up to 3 floors	10	Small gardens / open spaces in residential and mixed use areas	291	< 5
2	Residential areas, up to 3 floors	10	Small gardens / open spaces in residential and mixed use areas	291	< 5
3	Residential areas, up to 3 floors	10	Residential areas, up to 3 floors	10	0
4	Residential areas, up to 5 floors	20	Informal neighbourhood green spaces	273	5
5	Residential areas, up to 5 floors	20	Tree groups and tree rows	432	17
6	Residential areas, up to 5 floors	20	Roadside vegetation and tree alley	321	15
7	Residential areas, over 5 floors	30	Garage yards in residential and mixed use areas	174	10
8	Residential areas, over 5 floors	30	Informal neighbourhood green spaces	273	10
9	Residential areas, over 5 floors	30	Designed neighbourhood parks in residential and mixed use areas	271	28
10	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Residential and access roads	151	< 5
11	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Residential and access roads	151	30
12	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Informal neighbourhood green spaces	273	8
13	Commercial area (facilities / residential areas)	51	Informal neighbourhood green spaces	273	20
14	Commercial area (facilities / residential areas)	51	Commercial area (facilities / residential areas)	51	0
15	Commercial area (facilities / residential areas)	51	Residential and access roads	151	6
16	Designed neighborhood parks in residential and mixed use areas	271	Sports and play facilities	308	< 5
17	Agricultural land with homesteads (buildings and facilities)	91	Mixed forest	420	108
18	Agricultural land with homesteads (buildings and facilities)	91	Small gardens / open spaces in residential and mixed use areas	291	< 5
19	Agricultural land with homesteads (buildings and facilities)	91	Agricultural land with homesteads (buildings and facilities)	91	0
20	Deciduous forest	400	Deciduous forest	400	0
21	Commercial mixed use	40	Small gardens / open spaces in residential and mixed use areas	291	< 5
22	Commercial mixed use	40	Residential and access roads	151	40
23	Commercial mixed use	40	Residential and access roads	151	< 5
24	Mixed forest	420	Mixed forest	420	0

Distance < 5 is used, when the device was placed upon trees on the edge of the target LU-Area.

B.2: Target LU and measured LU of the AAP₄

Device ID	Target LU	Target LU (Code)	Measured LU	Measured LU (Code)	BP
25	Commercial mixed use	40	Informal neighbourhood green spaces	273	Yes
26	Residential areas, up to 5 floors	20	Parking spaces	171	Yes
27	Designed neighborhood parks in residential and mixed use areas	271	Major roads and main roads	140	Yes
28	Residential areas, up to 3 floors	10	Woods	451	Yes
25	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Other paths / roads	152	No
26	Agricultural land with homesteads (buildings and facilities)	91	Woods	431	Yes
27	Commercial area (facilities / residential areas)	51	Commercial area (open / reserve areas)	53	Yes
28	Residential areas, over 5 floors	30	Public and institutional facilities (churches and parish halls, monasteries)	85	Yes
25	Designed neighborhood parks in residential and mixed use areas	271	Residential areas, up to 3 floors	10	Yes
26	Residential areas, up to 3 floors	10	Residential and access roads	151	Yes
27	Commercial mixed use	40	Residential and access roads	151	Yes
28	Residential areas, up to 5 floors	20	Public and institutional facilities (public and private educational institutions, libraries)	83	Yes
25	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Roadside vegetation and tree alley	321	Yes
26	Agricultural land with homesteads (buildings and facilities)	91	Roadside vegetation and tree alley	321	Yes
27	Residential areas, over 5 floors	30	Cemeteries	282	Yes
28	Commercial area (facilities / residential areas)	51	Parking spaces	171	Yes
25	Residential areas, up to 3 floors	10	Residential areas, up to 3 floors	10	No
26	Designed neighborhood parks in residential and mixed use areas	271	Residential areas, up to 5 floors	20	No
27	Commercial mixed use	40	Parking spaces	171	No
28	Residential areas, up to 5 floors	20	Commercial mixed use	40	No
25	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Residential and access roads	151	Yes
26	Agricultural land with homesteads (buildings and facilities)	91	Woods	431	Yes
27	Residential areas, over 5 floors	30	Parks and gardens (municipal parks, botanical gardens, zoo)	272	Yes
28	Commercial area (facilities / residential areas)	51	Roadside vegetation and tree alley	321	Yes
25	Agricultural land with homesteads (buildings and facilities)	91	Informal neighbourhood green spaces	273	Yes
26	Residential areas, over 5 floors	30	Major roads and main roads	140	Yes
27	Commercial area (facilities / residential areas)	51	Informal neighbourhood green spaces	273	Yes
28	Public and institutional facilities (kindergartens, after-school care, youth and elderly homes / housing estates)	84	Major roads and main roads	140	Yes

B.3: Recording period for all AAP₂₄
