

Supplementary Table 1. Internally-developed list of workplace types.

Name	Description	Examples of Related NAICS Groups
Blue Collar: Indoor	Work environments in which skilled labour occurs indoors (distancing is difficult, increased transmission due to close-range droplets and long-range aerosols).	Factory/Manufacturing (31-33) Warehouse (493) Transportation/Supply Chain (48)
Blue Collar: Outdoor and Indoor	Work environments in which skilled labour occurs both indoors (distancing is difficult, increased transmission due to close-range droplets and long-range aerosols) and outdoors (distancing is more feasible, reduced transmission).	Utilities (22) Oil and Gas (2111) Mining (21) Construction (23)
Food Processing	Food processing plants, agricultural facilities, and other such settings. Can contain a high number of people working within close proximity, in colder and drier air conditions.	Farms (11) Food Manufacturing (311)
Healthcare	Workplaces that include heavy interaction between healthcare professionals and patients.	Healthcare and Social Assistance (62)
Retail and Customer-Facing	Workplaces where employees frequently interact with a large number of typically local customers or clients.	Retail Trade (44-45)
University	Workplaces where a large student body frequently interacts with each other and faculty.	Universities (611310)
Travel and Entertainment	Workplaces where a large number of customers from outside the locality heavily interact with employees.	Airlines (481111) Airports (48811) Traveler Accommodation (7211) Casinos (71321)
Offices	Workplaces where employees work indoors with isolated interaction with other employees. Distancing is possible.	Finance and Insurance (52) Scientific Research (5417) Office Administrative Services (5611)

Supplementary Table 2. Breakdown of tracked companies by workplace type and country.
