

# Certificate from the Faroese Ethical Committee

To Gunnhild Helmsdal

Thank you for your inquiry regarding your project: 'Omicron outbreak at a private gathering in the Faroe Islands, infecting 21 of 33 triple-vaccinated healthcare workers'

We have discussed the content and the nature of your project and find it to belong to the category of register research. This kind of research is not under obligation to notify the committee.

Tórshavn 22<sup>th</sup> of December 2021

Sincerely

  
Jens Andreassen, chairman  
Scientific Ethical Committee  
Faroe Islands
